Health System Research Institute

National Health Building

88/39 Tiwanon 14 Road,

Muang District, Nonthaburi, Thailand

OpenHIE Architecture

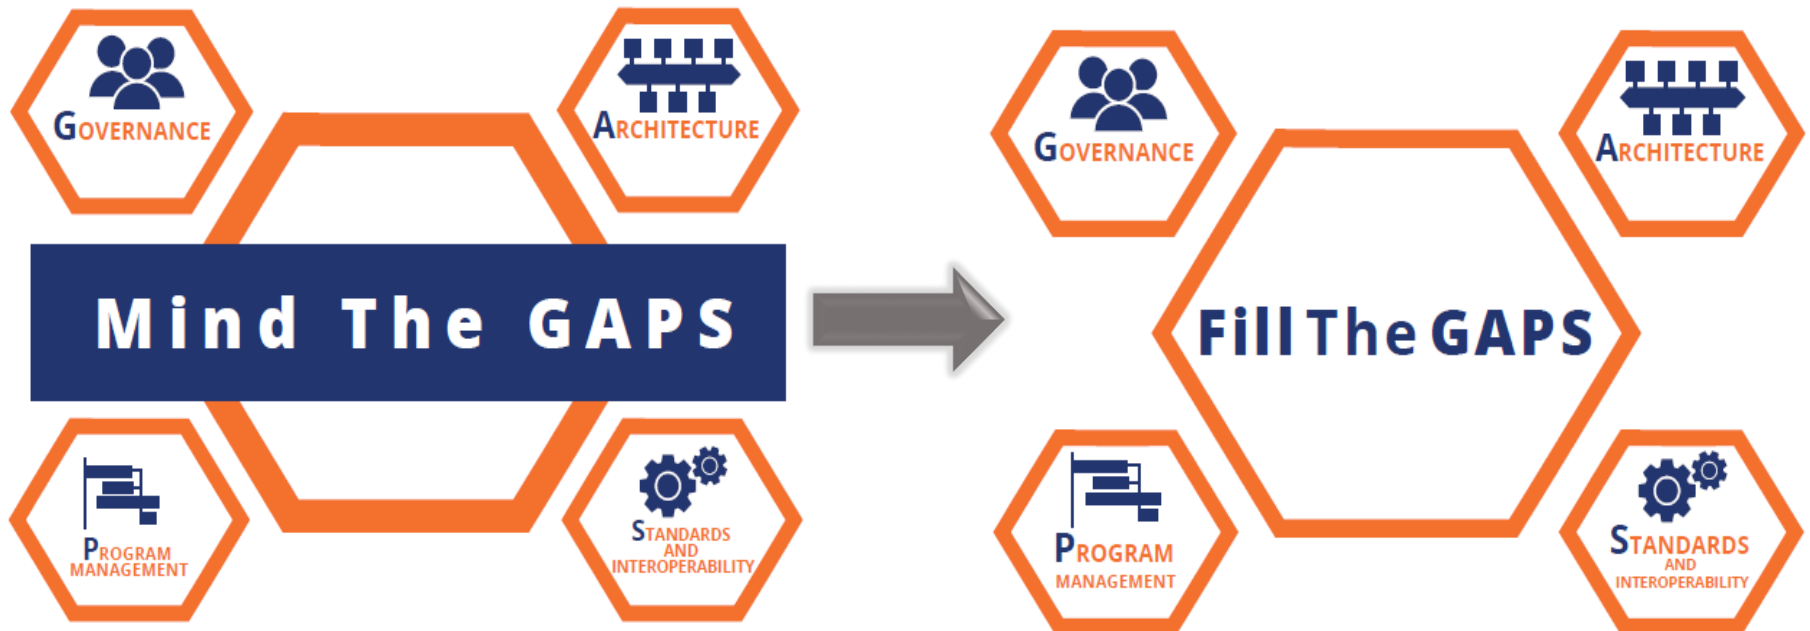

What We Have Achieved

- 5 General Meetings (more than 1000 total delegates)
- Mailing list (more than 1200+ members)
- More than 100 webinars [and spin-offs for in-country]
 - Trained other countries how to do webinars
- Country-to-country Knowledge Exchange (Sri Lanka/Bangladesh/Myanmar to Thailand, Various countries to Taiwan, Various countries to Japan)
- Convergence Workshops (Myanmar, Bhutan, Timor Leste, Nepal, Vietnam, Indonesia)

Key messages that emerged during AeHIN organized meetings & conferences

To develop national healthcare IT systems, countries need to work on 4 important fundamental topics. **The GAPS framework**

SAVE THE DATE!

**6th AEHIN GENERAL MEETING
AND CONFERENCE ON INTEROPERABLE**
