WEBINAR

for

National CRVS Focal Points

As the National CRVS Focal Point, you will be responsible for collating information for reporting of the national targets and baseline data for the Regional Action Framework on CRVS. To support you in this role, ESCAP invites you to join a special webinar.

During the webinar, you will receive short overview of the reporting template and reporting requirements. The webinar will give you tips and ideas to assist you in completing the reporting template and coordinate with CRVS stakeholders in your country. There will also be a chance to ask questions to clarify any queries you may have.

Following your confirmation, you will receive further details on how to connect. Questions regarding the webinar can be addressed to Ms. Tanja Sejersen at sejersent@un.org

To confirm your participation in the webinar, please send an email to Ms. Wannaporn Sridama at sridamaw@un.org, **by 3 November 2015**.
