

Evolutionary Idea: South Asian CRVS Network

▶ Focus

- ▶ Registrar's Network OR CRVS Network

▶ Objectives

- ▶ Solve shared problems together (hard-to-reach and marginalized groups, natural disasters, CoD, coverage, completeness)
- ▶ Complement each other's strengths and help in other's weakness
- ▶ Jointly pursue innovations and new opportunities (ICT, open vs. proprietary systems, SDG linkage, ID, marriage, adoption, service delivery, financial inclusion, incentives, leveraging processes of other agencies (e.g. border control, education) automated VA, standards, regulatory reform)
- ▶ Set examples of South-South Cooperation

Example: SDG Tracker → Carve Out a CRVS Module to Show SDG Indicators Can Contribute to CRVS Reporting and Vice Versa
