# Philippines' Experience in Preparing the CRVS Decade National Baseline Indicators

*Workshop for National CRVS Focal Points  
9 – 10 December 2015*

# Process of preparing the baseline report

- ◆ Established a national coordination mechanism, the Inter-Agency Committee on Civil Registration and Vital Statistics (IAC CRVS)
- ◆ Launched the CRVS Decade on Feb 11 and unveiled the Philippines “*Get Every Pinoy and Pinay in the Picture*” standee
- ◆ Organizational meeting of IAC-CRVS
- ◆ PSA initiated the preparation of a work plan for the CRVS Decade 2015-2024

# Process of preparing the baseline report

- ◆ PSA conducted an Orientation and Workshop on IAC on CRVS
  - objectives: set the National Targets on the Regional Action Framework, and work plans to meet commitments on CRVS Decade
- ◆ PSA reviewed and finalized the national targets and align its activities and work programs with the Philippine Statistical Development Plan (PSDP 2015-2017, Transitional Update) and 2016 PSA Work Programs

# National Stakeholders

- ◆ Philippine Statistics Authority
- ◆ Department of Health
- ◆ Department of Foreign Affairs
- ◆ Department of Justice
- ◆ Department of Education
- ◆ Department of Social Welfare and Development
- ◆ Department of Interior and Local Government
- ◆ Office of the Cabinet Secretary
- ◆ Commission of Population

# Role of the National Focal Point

- ◆ Oversees the implementation the multi-sectoral national CRVS strategy
- ◆ Organize roundtable and dialogues to coordinate country's participation and support to the implementation of the Regional Action Framework
- ◆ Coordinate with IAC CRVS member agencies for the preparation of the national baseline targets
- ◆ Disseminate relevant information on the programs, and activities of the CRVS Decade
- ◆ Responsible for coordination with the ESCAP Secretariat and development partners re: monitoring progress in implementing the Regional Action Framework

# Challenges

- ◆ *(What were the main challenges with preparing the report?)*
  - ◆ Most recent data available is from the 2010 Census and Vital Registration data
    - PSA conducted the mid-decade census in May 2015 and still on process of data processing and analysis

# Resources

## ◆ 2010 Census of Population (As of May 1, 2010)
