

**PRODUCTION AND DISSEMINATION OF VITAL
STATISTICS FROM CIVIL REGISTRATION
RECORDS IN ASIA AND THE PACIFIC:
A REPORT PREPARATION INITIATIVE**

Bangkok, Thailand, 9-13 January 2017

Background

Project to strengthen national capacity in producing and disseminating vital statistics from civil registration records in Asia and the Pacific (December 2016 to March 2017)

Objective:

To improve national capacity to use the existing civil registration records for statistical purposes

Background

- 1st Phase: Formation of country project team and preparation for data analysis
 - Output #1: Formation of the country project team and informing ESCAP of the project team composition
 - Output #2: Initial assessment is provided to ESCAP
 - Output #3:
 - Completing data processing with documentation
 - Providing to ESCAP (1) draft data analysis plan, and (2) data files

Background

- 2nd Phase: First workshop and data analysis
- 3rd Phase: After 1st workshop follow-up to conduct further analysis and drafting
- 4th Phase: Second workshop with a focus on completing the report and dissemination plan
- 5th Phase: Finalisation of report and dissemination

2nd Phase: First workshop and data analysis

Objectives:

- To generate the tabulations for the VS Report
- To draft the analyses of the births and deaths data
- To fill-up the vital statistics template
- To identify the follow-up plans

Workshop Approach

- **Presentations**
- **Exercises**
- **CRVS Café** –discussions with facilitators
- **Vital Mornings** –recap of the previous day's activities by the assigned team
