Using the Regional Action Framework in-country

Philippines – advocacy

Cambodia – development plan

- *National Strategic Plan of Identification 2017-2026: Guide acceleration of government efforts to increase the birth registration rate and identification in Cambodia*

Using the RAF in-country (cont.)

Malaysia – national report

UNICEF – collaboration

- *The UNICEF Regional Office for South Asia services the Civil Registrars Network (CR8) and recently released the Report on the Status of CRVS in South Asia Countries (2018). The Report uses the RAF as its basis for measuring progress being made in the subregion.*
