Vital Perangkaan Statistics

Vital Perangkaan Statistics

Institutional setup

- ◆ Current institutional arrangements

- ◆ **Key Legislation:**

- ◆ **Births and Deaths Registration Act (Chapter 79), 1923**

- Every live births and deaths occurring in Brunei Darussalam must be registered under the **Births and Deaths Registration Act (Chapter 79), 1923**

- ◆ **Islamic Family Law, (Chapter 217)**

- Every Muslim marriages and divorces occurring in Brunei Darussalam must be registered under the **Islamic Family Law, (Chapter 217)**

- ◆ **Registration of Marriages Act (Chapter 124)**

- Every Civil, Customary and other marriages and divorces must be registered under Registration of **Marriages Act (Chapter 124)**.

- ◆ Related Government Ministries are responsible for registration of births, deaths and marriages.

Institutional setup

◆ Main National Stakeholders who engaged in CRVS activities:

◆ **Birth and Death:**

- ◆ Department of Immigration and National Registration, Ministry of Home Affairs
- ◆ Ministry of Health (Causes of Death)

◆ **Muslim/Civil Marriages and Divorces**

- ◆ State Judiciary Department, Prime Minister's Office

◆ **Customary and Other Marriages and Divorces**

- ◆ Attorney General Chambers, Prime Minister's Office

Institutional setup

- ◆ There is International Development Assistance received to support national CRVS activities particularly on ICD 10 from the WHO:
 - ◆ Continuous conduct of ICD 10 trainings to coders involved in coding hospital records, local civil registry records to ensure accurate, timely and reliable mortality data to be generated
- ◆ Adoption of Principles and Recommendations for a Vital Statistics System, Revision 3 published by United Nations Statistics Division (2014).

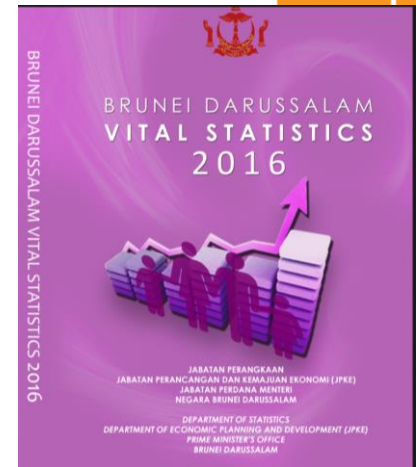

Current registration rates (where known)

- ◆ Is ICD 10 was implemented since 1998

Sources of vital statistics

- Vital statistics published annually
- Vital statistics reports available online (www.depd.gov.bn)
- **Source:** Statistics on live births and deaths were obtained from the administrative records on births and deaths received from the Department of Immigration and National Registration, Registration of Births, Deaths and Adoption Division, Ministry of Home Affairs.
- Information on (ten leading) causes of deaths was obtained from the Ministry of Health.
- Adoption of Verbal autopsy in Brunei Darussalam

Implementation steps

- ◆ Status of National improvement plan
 - ◆ To set up population database (data matching) using different sources of census data and cross checking with relevant administrative data of civil registration, migrations, live birth and deaths etc

- ◆ **National Statistical Committee (NSC)** is formed consists of members from relevant ministries including Ministry of Home Affairs, Ministry of Health and etc. Some of the objectives of the NSC are:
 - ◆ To ensure that the official statistics of Brunei Darussalam is in line with international standards, the
 - ◆ To coordinate the collection, compilation and dissemination of statistics by Government agencies.

Key CRVS developments

- ◆ Key improvements in the CRVS system over the last 5 years
 - ◆ Established of a local civil registry office in all districts facilitates registration process
 - ◆ Digitalized all the information submitted in the form of format through civil registry system facilitates the retrieval and issuance of certificates

- ◆ Key current challenges
 - ◆ Longer duration in the processing of death statistics as compared to birth statistics due to full review on the codes of the causes of deaths

Opportunities for advancing CRVS work

What are the current opportunities for advancing CRVS in your country?

- ◆ Data collection coordination from respective various Ministries and Departments to ensure quality and timeliness in data supply through **National Statistical Committee Focal Persons**
